This is a list of what is planned to happen for the next few months. But as always, plans can change.

Sundays at church

Ever wonder what is happening when youth come to church on Sundays? Well, this year we are trying out different spiritual practices. Some from other faith traditions, some old, some new. Each month is a different theme:

January – **Meditation**
February – **Labyrinths**
March – **Tangibles**
April – **Written word**
May – **Nature**

Come check it out: Sundays at 10 am
